Access to our extended network of hospitals

As well as access to hospitals in Europe, the Channel Islands and the UK (as listed in the Islands Health Plan Directory of Hospitals), you can choose to extend your hospital network and gain access to a greater selection of hospitals in London.

Like most health insurance policies, there are a number of exclusions on our Islands Health Plan

Some of the key exclusions include:

- Treatment of medical conditions that you were aware of before you joined unless our medical history disregarded option is selected (available only for corporate groups of 10 or more)
- Treatment of chronic conditions
- Routine dental check-ups
- Routine pregnancy and childbirth except for complications
- Preventative treatment
- Claims if you have travelled outside of Europe to get treatment
- For treatment in the UK, any in-patient or day-patient treatment, MRI, CT or PET scans and oral surgical procedures not received in a hospital, scanning centre or facility listed in the Islands Health Plan directory of hospitals.
