## Group application form

### Notes to help you with your application

We aim to make it as easy as possible for you to apply for your company's health insurance, so please read the following notes before you start. If you have any questions, please contact your Intermediary or for direct sales, call our helpline on **+44 (0) 1892 508 800** and we'll be pleased to help you. Lines are open Monday to Friday, 8am to 5pm (GMT).

#### Please be aware of the following points before you start to complete this form

Your group policy will be underwritten by AXA Insurance dac and administered by AXA Global Healthcare (UK) Limited (jointly AXA).

You have chosen Medical History Disregarded (MHD) as the underwriting style of this group policy, therefore please make sure the medical history statements in **3 Medical history statements** are completed.

A number of countries require residents, whether expatriates or otherwise, to take out health cover through a local provider or to hold cover which meets certain compulsory requirements. This cover may not meet these country specific requirements and therefore additional cover may be necessary. In some situations there may be consequences in the form of tax penalties or otherwise where a resident does not hold the required local cover in addition to their international medical insurance policy. It will be your obligation to ensure that each of your employees and their family members hold the cover required by the country where your employees normally live (as defined below in **Definitions of words and phrases**).

#### Tips for completing this application form

- This form and the 'enrolment form', which forms an integral part of this application form, must be completed and signed by the **Group Secretary** who is authorised by the Company to enter into this contract for the provision of private medical insurance.
- If you are completing this form digitally, please print it out once completed and sign the **5 Company declaration** before returning it to us with your completed 'enrolment form'.
- If your Intermediary is going to complete this form on your behalf using the information you have provided, you must read all of the questions and answers and review the content of the 'enrolment form' carefully before signing the **5 Company declaration** at the end. Your Intermediary is acting on your behalf in this respect.

#### Definitions of words and phrases

Some of the words and phrases we use on this form have a specific meaning, for example when we talk about treatment.

**You and your** – when we use you and your, we mean the Group Secretary on behalf of the Company.

**We, us and our** – when we use we, us or our, we mean AXA Global Healthcare (UK) Limited acting on behalf of AXA Insurance dac.

**Country where your employees normally live** – the country where your employees live or intend to live for most of the year. It will be shown as their address on their health insurance statement.
