Exclusions

What's not included in the health plans

Our global health plans are designed to cover treatment of medical conditions that respond quickly to treatment – known as acute conditions. Like most health insurance policies, there are a number of exclusions and limitations on the plans and this is just a summary of the most significant exclusions and limitations:

- ✗ Treatment of medical conditions you had, or had symptoms of, before you joined
- ✗ Out-patient cover excluded on Foundation unless the out-patient option has been selected
- ✗ Routine dental check-ups
- ✗ Routine pregnancy and childbirth
- ✗ Preventative treatment
- ✗ Treatment of conditions that last a long time or come back (also known as chronic conditions)

- ✗ Any treatment costs incurred as a result of engaging in or training for any sport for which you receive a salary or monetary reimbursement, including grants or sponsorship (unless you receive travel costs only).
 - ✗ Claims if you travel outside your area to get treatment or against medical advice
 - ✗ USA cover excluded unless this has been selected with your cover
 - ✗ Treatment that you receive in the UK from providers that are not listed in our Directory of Hospitals
 - ✗ The costs of arranging treatment
- Full details of what members are and are not covered for are provided in the membership handbook, or are available on request.
