3 Contacting us in a medical emergency

Reassurance - 24 hours a day, 365 days a year

Call +44 (0) 1892 513 999

One phone call to the **International Emergency Medical Assistance Service** (IEMAS) from anywhere in the world can bring urgent help and medical advice to anyone covered by one of our travel policies who is sick or injured and in need of in-patient hospitalisation.† Facilities are available to evacuate a patient to a suitable hospital for treatment or bring them back home if medically required.

How to get help

IEMAS is manned 24 hours a day and, in most cases, will be able to give you immediate advice. The advisers can also make things easier by putting you in touch with an English-speaking doctor, if necessary, who may help arrange treatment locally and ensure that current arrangements are satisfactory. Please make sure that when you contact the helpline you have your membership number to hand.

To make a claim

It is very important that if anyone covered by this **travel policy** is admitted to hospital whilst abroad to try to ensure that:

- someone contacts us within 24 hours; and
- any medical expenses over £1,000 are authorised as soon as possible.

We understand that contacting us within 24 hours could be difficult. If you are travelling alone and cannot make a call to us yourself please ask a representative from the hospital to call us with your details as soon as possible. This will allow us to offer any useful information and translation requirements to the hospital and give you peace of mind so that you can concentrate on getting better.

To make a claim you will require proof of travel, for example, the booking invoice or airline ticket as well as all original receipts, medical report certificates and other relevant documents.

If you, or someone else covered by your **travel policy**, decide to cut short your trip and return home for medical treatment, or for an operation that doesn't involve an emergency admission to hospital, then your **travel policy** will not cover the cost of returning home.

*Please note – we may record and/or monitor calls for quality assurance, training and as a record of our conversation.

†Please note – this service is strictly for medical emergencies only.

4 What to do if you need to make a claim

Step One	Request a claim form by calling: +44 (0)1892 614 200. <i>We may record and/or monitor calls for quality assurance, training and as a record of our conversation.</i>
Step Two	Complete the claim form in full and submit within 31 days of your return to your home area (unless this is not reasonably possible). <ul style="list-style-type: none">• Ensure all the necessary information is enclosed relevant to your claim.• Include the original accounts, bills or receipts and proof of travel, such as a booking invoice or airline tickets. <i>Failure to supply these details may result in a delay in assessing your claim.</i>
Step Three	Send in the completed claim form and documentation to: AXA Travel, PO Box 400, Tunbridge Wells, Kent TN1 2WJ, UK.
Step Four	Your claim will be assessed and all eligible payments will be made.
Step Five	You will receive a claims benefit statement confirming the amount of benefit paid for each claim.

5 The right thing to do if something goes wrong

Obviously we hope your overseas holiday or business trip goes without a hitch, but should a problem occur it will help us to process your claim much more quickly if you follow some simple procedures and send us all the right documents.

Here are the answers to some of our most frequently asked questions:

What if I have to cancel my trip because of illness?

Just ask your **medical practitioner** to complete and sign the medical certificate included in the AXA cancellation claim form. You will need to send this to us along with your overseas trip booking invoice, receipt and cancellation invoice.

What if I have to cut short my holiday due to accident or illness?

We will need to see a **medical practitioners'** letter confirming that it is necessary for you to **curtail** your trip. We will also need your holiday booking invoice and receipt to support your claim.

What should I do if another party is responsible for some of my claims costs?

You must contact us if you are able to recover any part of your claims costs from any other party, for example if you have another insurance policy, cover through a state healthcare system or are legally entitled to recover costs from another third party. We may use external legal, or other, advisers to help us do this. We will only pay our proper share.

What's the procedure if my baggage is lost, stolen, damaged or delayed?

If you lose your baggage or it is stolen, this must be reported to the police within 24 hours and you should obtain a Police Report.

If your baggage is lost or damaged whilst being carried by an airline, railway or ship, report this in writing to the carrier as soon as possible (at least within three days). Make sure you receive a Property Irregularity Report or similar documentation. Please keep copies of any correspondence you send or receive, as well as the retained portion of the travel tickets and baggage tickets.

In the event of your baggage being damaged, obtain an estimate for the repair.

If the article is not repairable, get a letter of confirmation from the repairers. Please retain the damaged item wherever possible.

To support a claim for damaged, lost or stolen items, we will require receipts showing the purchase price and date of purchase or a similar proof of ownership such as a credit card statement.

If your baggage is delayed for more than 12 hours, obtain written confirmation of this from the carrier. You will also need receipts to support your claim for any emergency purchases you have to make.

What if I lose my passport?

Report it to the police within 24 hours and get a Police Report. If you incur costs when obtaining replacement documentation e.g. extra travel, unplanned accommodation or statutory charges, be sure to keep all your receipts.

What if my money is lost or stolen?

This should be reported to the police without delay – certainly within 24 hours of discovering the loss. Please obtain a Police Report.

If you have lost Travellers Cheques, you should report this immediately to the local branch, agent or issuing authority and apply to them for a refund. If, for any reason, you are unsuccessful in getting a refund, you will need a letter from them confirming this fact.

If you have lost your currency, you will need evidence of conversion from the bank, such as a currency conversion bank slip.

If you have lost sterling or cheques, you will need confirmation of cancelled cheques and bank statements.

What if I fail to reach my departure point from my home area?

If your transport breaks down, please make every effort to reach your departure point on time. Should you still miss your flight, train, coach, ship, ferry or cross-channel train, get a receipt for any alternative transport needed to reach your destination. If public transport lets you down, please obtain written confirmation from the carrier explaining the cause.

What if my outward or return journey is delayed for more than 12 hours?

Please obtain detailed confirmation from the carrier (or their handling agent) explaining the reasons for the delay, its precise duration and the original itinerary.

What if my holiday is delayed from my home area for more than 24 hours?

Please obtain detailed confirmation from the carrier (or their handling agent) explaining the reasons for the delay, its precise duration and the original itinerary.

What if I accidentally injure someone outside my immediate family and they wish to seek compensation?

We will require the name and address of the person injured; a full description of the injuries suffered; plus full details of the accident – including how, when and where it occurred.

Introduction and eligibility

Some words and phrases we use have special meanings and definitions. These meanings are set out in the section headed '**Definitions**'. When we use any of these terms they are printed in bold. Except as added to or changed by section 2 of this document the words and phrases used in your **travel policy** have the same meanings as in your private medical insurance **policy**.

1 Introduction

1.1 Administration

Your **travel policy** is insured by AXA PPP healthcare and administered by AXA Global Healthcare (UK) Limited.

1.2 Sales

When we sell our policies directly to customers we provide information to help customers make the right decisions for their needs but we do not offer a personal recommendation for any of our policies. You may also have purchased your **travel policy** through an intermediary or broker, in which case they will inform you whether they offer a personal recommendation.

1.3 Your travel policy

You can obtain cover under your **travel policy** only if you have a current membership in one of our International private medical insurance policies. Your **travel policy** is, except as specifically provided in this document, subject to the same terms and conditions as your private medical insurance **policy**.

1.4 Premiums

Your **travel policy** forms part of your private medical insurance **policy**. It is your responsibility to ensure that the premium for your private medical insurance **policy** is paid; no cover exists unless it has been received by us.

The premium is payable for the **year** and, except as allowed in 1.6 below, no refund of premium will be made if your **travel policy** is terminated no matter for what reason.

1.5 Renewal

Your **travel policy** is current for a **year** and the renewal date for your **travel policy** is the same as for your private medical insurance **policy**. You can, however, purchase the **travel policy** at any time (except where the **travel policy** is included as one of the benefits of your private medical insurance **policy**) and you will have to pay the appropriate premium for the remaining period up to the renewal date of your **policy**. You can then renew both your **policy** and your **travel policy** on the same date for future **years**.

Depending on the **country where you normally live**, whether we can renew your **policy** and **travel policy** and how we are able to renew them will differ. There are three different renewal scenarios. The scenario that applies to you will be shown on your Healthcare Insurance Statement. If you change the **country where you normally live** during the **policy year** you must let us know as it may change how we renew your **policy** and **travel policy**.

Scenario 1 – countries where we are not able to offer renewal

Your **travel policy** will end on the date shown on your Healthcare Insurance Statement. It will be your responsibility to find alternative cover in the **country where you normally live**.

Scenario 2 – countries where you will need to contact us to arrange your renewal

There are some countries where we can renew your **travel policy** but we are not able to contact you to offer you new **travel policy** terms. In this instance, the **policyholder** will need to contact us before the **travel policy** end date shown on your Healthcare Insurance Statement and we can discuss renewal terms with you.

Scenario 3 – countries where we can offer you a renewal

Prior to the end of any **year**, provided the **travel policy** you are on is still available, we will write to you to let you know whether we wish to renew your **travel policy** and, if so, on what terms. If we do not hear from you in response and we do wish to renew, then we may at our option assume that you wish to renew the current **travel policy** on those new terms. Where you have opted to pay the premium by Direct Debit or other payment method, we may continue to collect premiums by such method for the new **year**. Please note that if we do not receive your premium, you will not be covered.

If your private medical insurance **policy** terminates at any time for any reason your **travel policy** automatically terminates on the same date. This **travel policy** is not available independently. If any family member ceases to be included in your private medical insurance **policy** this **travel policy** ceases from the same date in respect of that **family member**.

If an **overseas journey** crosses a renewal date the premium due on renewal must be paid on or before that date or all cover under your **travel policy** is automatically cancelled at the end of the day preceding the renewal date.

1.6 Cancellation period

The **policyholder** may cancel this **travel policy** (except where the **travel policy** is included as one of the benefits of your private medical insurance **policy**) within 14 days of the renewal date (the cancellation period) by contacting us during the cancellation period. We will then return any premium paid for the **travel policy** providing no claims have been made on the **travel policy** in relation to the period of cover before cancellation (being no more than 14 days' cover). If you incur eligible claims costs within that period of cover we reserve the right to require the **policyholder** to pay for the services we have actually provided in connection with your **travel policy** to the extent permitted by law and any return of premium is subject to this. If the **policyholder** does not cancel the **travel policy** during the cancellation period the **travel policy** will continue on the terms described in this handbook for the remainder of the **travel policy** year.

Cancel your policy outside of the cancellation period

This **travel policy** cannot be cancelled outside of the cancellation period unless you cancel your private medical insurance **policy** at the same time. Please see your private medical insurance membership handbook for details of your cancellation rights.

These cancellation rights do not apply if your **travel policy** is automatically included as part of your private medical insurance **policy**. Please see your private medical insurance membership handbook for details of your cancellation rights.

1.7 Level of cover

The Claims Conditions on page 15 and General Exclusions on page 16 apply to the whole of your **travel policy**. Each section states the level of benefits payable and any limits, conditions and exclusions applying specifically to that section.

Please consult the Benefits Table on page 3 and the relevant sections of this membership agreement for details of the maximum sums payable and the limitations applying to your cover.

1.8 Third Party Rights

Only you and we have legal rights under this **travel policy** and it is not intended that any clause or term of this **travel policy** should be enforceable, by virtue of the Contact (Rights of Third Parties) Act 1999, by any other person, including any **insured member** or **family member**.

3 General conditions

3.1 Commencement of cover

Section 1 - Additional travel and accommodation expenses

Section 2 - Personal accident

Section 3 - Personal baggage, loss of money and loss of passport

Section 9 - Legal expenses

Section 10 - Personal liability

Each **period of cover** begins when the **insured member** passes through passport control of the station, port or airport in the **home area** to commence an **overseas journey** and continues until the time of exit from passport control of the **station**, port or airport on arrival back in the **home area** on completion of the **overseas journey** (see also 'Time limits' on page 14).

Section 4 – (Cancellation and curtailment) and Section 5- (Travel disruption)

In respect of Section 4 (loss of deposits or cancellation) and Section 5 (Travel disruption) the period of cover commences immediately once a booking for an **overseas journey** has been made (or on the date upon which your **travel policy** is effected if later) and terminates on the date on which the **overseas journey** starts.

Section 6 - Delayed departure or extended delay

In respect of Section 6 (Delayed departure or extended delay) the **period of cover** operates from the time the **insured member** was required by the relevant itinerary to check-in at the departure point until the booked **train**, aircraft or sea vessel actually departs.

Section 7 - Missed departure

In respect of Section 7 (Missed departure) the **period of cover** operates from the time the **insured member** begins the journey until arrival at the departure point.

When your **travel policy** is first purchased for any member a **period of cover** shall not operate in respect of any **overseas journey** already commenced.

3.2 Time limits

3.2.1 Maximum length of an **overseas journey**

Each **period of cover** is limited to a maximum of 95 consecutive days or to the maximum number of days for which your private medical insurance **policy** gives cover outside your **home area**.

Except as provided specifically by 'Automatic extension' below, there is no cover under your **travel policy** for any single **overseas journey** which lasts, or which was planned or expected to last, more than 95 days (or any relevant lesser period) even if the **period of cover** crosses a renewal date.

While there is no limit to the number of single **overseas journeys** which may be undertaken there is a total, overall maximum of 183 days' cover during any **insured period** (unless your private medical insurance **policy** provides a lesser period of cover outside your **home area** in which case cover is limited to that period).

3.2.2 Automatic extension

The **period of cover** will automatically be extended (provided your **travel policy** remains in force and has, if necessary, been renewed) if, for unavoidable reasons the **insured member** is unable to complete an **overseas journey** before the **period of cover** has expired. By this we mean the inability of an **insured member** to travel for medical reasons or for reasons beyond the **insured member's** control where there is no available scheduled public transportation.

The extension will be for such period of time as is reasonably necessary to enable the **overseas journey** to be completed.

3.3 Variations

No employee, agent or broker has any authority to change the terms of this **travel policy** or to waive any of its provisions.

3.4 Family members

When you deal with us you are acting on behalf of any **family member** included in this **travel policy**.

3.5 Fraud

You must not act in a fraudulent manner.

If you or any **insured member** or anyone acting on behalf of an **insured member**:

- make a claim under the **travel policy** knowing the claim to be false or exaggerated in any respect; or
- make a statement in support of a claim knowing the statement to be false in any respect; or
- submit a document in support of a claim knowing the document to be forged or false in any respect; or
- make a claim in respect of any loss or damage caused by your wilful act or your connivance then
 - we shall not pay the claim;
 - we shall not pay any other claim which has been or will be made under your **travel policy**;
 - we may at our option declare your **travel policy** void;

- we shall be entitled to recover from you the amount of any claim already paid under your **travel policy** since the last renewal date;
- we shall not make any return of premium;
- we may inform the police of the circumstances.

3.6 Governing law

People entering into an agreement are allowed to choose which law it is to be governed by. We only enter into agreements if they are governed by English law and this **travel policy** is therefore subject to the laws of England and Wales. The English courts have jurisdiction.

3.7 International sanctions

We will not do business with any individual or organisation that appears on an economic sanctions list or is subject to similar restrictions from any other law or regulation. This includes sanction lists, laws and regulations of the European Union, United Kingdom, United States of America or under a United Nations resolution. We will immediately end cover and stop paying claims on your **travel policy** if you or a **family member** are directly or indirectly subject to economic sanctions, including sanctions against your country of residence. We will do this even if you have permission from a relevant authority to continue cover or premium payments under a policy. In this case, we can cancel your **travel policy** or remove a **family member** immediately without notice, but will then tell you if we do this. If you know that you or a **family member** are on a sanctions list or subject to similar restrictions you must let us know within 7 days of finding this out.

3.8 Language

This **travel policy** is written in English and all other information and communications to you relating to this **travel policy** will also be in English.

4 Claims conditions

4.1 Proof

You will be required to provide all necessary proofs, including proof of travel and the dates, when making a claim. You will also have to provide, at your expense, all relevant original receipts, certificates, information and evidence reasonably required by us to enable the claim to be assessed.

We reserve the right to undertake appropriate investigations to find out more about your claim. We will pay any fee involved for such investigations. However, this reservation does not relieve you of any obligations to provide the documents and information referred to above.

4.2 Proceedings against third parties

We may, at our own expense, take proceedings in the **insured member's** name to recover compensation from any third party in respect of any indemnity paid under your **travel policy**. The **insured member** must give such assistance as we shall reasonably require; any amount recovered shall belong to us.

4.3 Excess

A £50 excess applies to each incident claimed for under each section by each **insured member**.

This means that a claim may involve more than one excess if the insured member is claiming benefits under more than one section of this **travel policy**.

If an **insured member** claims for more than one incident under a section of your **travel policy**, the excess will apply to each incident.

Please note: where we do not pay the first amount of any claim, it cannot be claimed against any other insurance policy underwritten by AXA PPP healthcare Limited.

An excess of £50 automatically applies to all benefits except for those marked '**'.

4.4 Reasonable care

We are entitled to refuse to pay any claim unless the **insured member** exercises all reasonable care to prevent accident, injury, illness, loss or damage.

5 Making a claim

If anything happens which gives rise to a claim under your **travel policy** you must contact AXA through the telephone number given below within 31 days of your return to your **home area** (unless this was not reasonably possible). You will be asked to give full details of the claim including the section under which you are claiming.

AXA: Telephone: +44 (0) 1892 503 856

We assess claims made in a non-sterling currency by converting the amount claimed into sterling. We will use the exchange rate used by your bank or credit card company if the **insured member** provides us with the relevant bank or credit card statement relating to the claim.

Please note

Where there are currency or exchange rate controls in place, we may not use the rate published. In these circumstances, we may contact you to request evidence of the exchange rate used when you purchased the currency and we will use that exchange rate to reimburse you.

Please remember

You must complete your claim within 31 days of the completion of the **overseas journey** (unless this was not reasonably possible).

You must provide proof of travel and all relevant original receipts and reports.

Please ensure you keep this document in a safe place together with your travel policy insurance statement in case you need them to make a claim. Bear in mind that you will also need to refer to your policy terms and the terms of international emergency medical assistance.

Financial Ombudsman Service

We will generally issue our final response within eight weeks from when you originally contacted us. However, we will respond sooner than this, if we are able.

If it looks as though our review of your complaint will take longer than this, we will let you know the reasons for the delay and will keep you updated.

If we cannot respond fully to your complaint within eight weeks, or you are unhappy with our final response, you can refer your complaint to the Financial Ombudsman Service for an independent review. The Financial Ombudsman Service will only consider your complaint once we have issued a final response, or if eight weeks has passed since you first notified us of your complaint.
