Notes to help you with your application

We aim to make it as easy as possible for you to apply for your company's health insurance, so please read the following notes before you start. If you have any questions, please contact the Group Secretary.

Please be aware of the following points before you start to complete this form

- This form is only applicable to employees under a Corporate policy, where your company has selected Medical History Disregarded (MHD) as the underwriting style of the group.
- Your company will complete a 'Corporate member registration sheet' to accompany this form which lists your details, family members to be covered and type of cover required for each member. Please contact the Group Secretary if you want to know more about the policy details.
- ✗ This policy is not applicable to **American or Canadian citizens** whose principal country of residence is the USA or Canada. If this applies to any person to be covered, or they are applying for citizenship, please contact the Group Secretary.
- ✗ **Please do not use this form** if you are applying for an individual policy, or if your company has chosen Moratorium or Continued Medical Underwriting (CME) as the underwriting on the group scheme.
- Please take care to provide accurate and complete answers to all questions for all members who are to be insured under this plan. This will help avoid any delay in processing your application.
- If you don't answer truthfully and accurately, it will very likely mean that a claim will be declined and your policy may be cancelled.
- The person named in **1 About the lead member** must be an employee of the company given on page 1 and will be the lead member.
Please make sure you have permission to advise us of all the medical details for all family members you wish to add to this policy.
- A number of countries require residents, whether expatriates or otherwise, to take out health cover through a local provider or to hold cover which meets certain compulsory requirements. The cover offered by AXA General Insurance Hong Kong Limited may not meet these country specific requirements and therefore additional cover may be necessary. In some situations there may be consequences in the form of tax penalties or otherwise where a resident does not hold the required local cover in addition to their international medical insurance policy. Please speak to your company's group secretary if you have any concerns about any additional cover requirements in your principal country of residence (as defined in **1 About the lead member**), as it will be your company's obligation to ensure that each of its employees and their family members hold the cover required by their principal country of residence (as defined in **1 About the lead member**).
- Levy collected by the Insurance Authority has been imposed on this policy at the applicable rate. For further information, please email us at intsales@axa.com or please visit the HKIA website at: https://www.ia.org.hk/en/aboutus/role/financial_arrangements.html
- Your plan is arranged by AXA Global Healthcare (Hong Kong) Limited and AXA Global Healthcare (UK) Limited administers the plan, on behalf of AXA General Insurance Hong Kong Limited. AXA General Insurance Hong Kong Limited is the insurance underwriter of this plan.
