Exclusions

What's not included in the health plans

Our International Health Plans are designed to cover treatment of medical conditions that respond quickly to treatment – known as acute conditions. Like most health insurance policies, there are a number of exclusions and limitations on the plans and this is just a summary of the most significant exclusions and limitations:

- Treatment of medical conditions you had, or had symptoms of, before you joined
- $\bullet \ {\sf Out-patient \ cover \ excluded \ unless \ the \ out-patient \ option \ has \ been \ selected}$
- Routine dental check-ups
- Routine pregnancy and childbirth
- Preventative treatment
- Treatment of conditions that last a long time or come back (also known as chronic conditions)
- Any treatment costs incurred as a result of engaging in or training for any sport for which you receive a salary or monetary reimbursement, including grants or sponsorship (unless you receive travel costs only)
- $\bullet \ {\sf Claims} \ {\sf if} \ {\sf you} \ {\sf travel} \ {\sf outside} \ {\sf your} \ {\sf area} \ {\sf to} \ {\sf get} \ {\sf treatment} \ {\sf or} \ {\sf against} \ {\sf medical} \ {\sf advice}$
- USA cover excluded unless this has been selected with your cover
- Treatment that you receive in the UK from providers that are not listed in our Directory of Hospitals
- The costs of arranging treatment

Full details of what members are and are not covered for are provided in the membership handbook, or are available on request.
